Product Name	Fabric Banner 210
Product Code	FB210BS

Features

* 210 gsm, Matte/Satin finish, Bright White
* 100% Polyester, Water resistance
* Compatible with Eco-solvent, Latex, and UV ink sets
* Outstanding ink absorption, clear and bright image quality
* Excellent Dmax and Wide Color Gamut

Overview

Fabric Banner is a satin, water resistant, 100% polyester fabric with a uniform, tight weave. It provides lay-flat properties for use in banner stands, store signage and POP displays.

This bright-white fabric banner is fully compatible with Eco-solvent, Latex, and UV ink sets, and provides brilliant imaging quality with an outstanding Dmax and wide color gamut, that reproduces accurate imaging with richer color and tremendous details.
